PRESIDENTE
(130@ \$150)

*** All rates with internet and breakfast included

Payments

BTC Americas has already done payments to CCC and is in the process of blocking rooms at Aloft and Krystal.

Other issues

1. The TPC (54) and IAC (7) have been appointed!
2. Plenary speakers: Dan and I have discussed some “High Profile” ones and they have all declined invitations. We have also circulated an e-mail to the TPC and IAC.
3. The web-page www.irmmw-thz2017.org is up and running ... until after Copenhagen will only contain a brief description of the 2017 conference and a link to the 2016 webpage. Should go completely live soon!

Our webpage is under construction
and will be released during the
IRMMW-THz 2016 conference

Other issues

4. The number of submissions is going up, we could start a 6th parallel session (any views?)

Other issues
