WALDRONSMITH Management's role is to embrace the rich history and culture of previous Conferences and assist you to not only reach your goals but ideally exceed your expectations. You can also be assured of our extensive experience working alongside local organising committee's and their international counterparts ensuring all stakeholders achieve outstanding results.

In particular, we are currently working alongside the following Convenors on conferences that are IEEE related,

- [IQEC/CLEO Pacific Rim Conference 2011](#) - Professor Ken Baldwin
- [Asia Pacific Microwave Conference 2011](#) - Professor Kamran Ghorbani

Earlier this year we worked alongside the organising committee of another IEEE related meeting and achieved an outstanding result for all stakeholders,

- [International Conference On Nanoscience & Nanotechnology 2010](#)
