I. INTRODUCTION AND BACKGROUND

THIS document is a one-page template derived from the standard IEEE style template for papers and transactions (<http://www.ieee.org/web/publications/authors/transjnl/index.html>). The template is for Microsoft *Word* versions 6.0 or later.

This template should be used for abstract submissions to the 33rd International Conference on Infrared, Millimeter, and Terahertz Waves, or IRMMW-THz 2008 “Terahertz for Life” to be held from September 15-19, 2008, at the California Institute of Technology. Please refer to the conference website for details, including registration and abstract submission information: <http://www.irmmw-thz2008.org/home/index.html>.

Please keep your abstract submission to a page limit of one page, and a size limit of 250kB. Also, the abstract should be submitted as a pdf document. Please check for detailed abstract submission instructions on the conference website: <http://www.irmmw-thz2008.org/registration/submission.html>.

[illegible]
